Just Like Your Eyes

Just like your eyes! Oh, sweetest girl and true;
These violets their message bring to you,
Blue as the skies at dawn when they awake;
Like stars at eve, whose rays my message take.

They shine into your soul with purest light,
To stir its hidden depths, Oh! eyes so bright!
Without the need of words you then will hear
The witchery of love which rings so clear.

The perfume of your thoughts shall come to me,
And I shall know you're mine eternally
Until the angels answer from the skies
And shower violets down just like your eyes.
